

## WINNIPEG WHISKY FESTIVAL AT HOME – HOST BIOGRAPHY

### Zac Kvas

*Mixologist*

When you saddle up to The Whisky Bar at Wayne Gretzky Estates Winery & Distillery, be prepared for the cocktail that Zac Kvas and his team creates for you to taste unlike anything you've ever sipped before. Before joining the Wayne Gretzky Estates team, Zac was a mixologist at one of Canada's most buzzed about farm-to-table restaurants. He also spent time working in the vineyards and barrel cellar of a Niagara-on-the-Lake winery. Those experiences created a respect and passion for local Niagara ingredients that elevates his wine and whisky cocktails to a whole new level. A swirl of maple syrup, a splash of fresh-pressed apple juice, a fat wedge of a just-picked peach – in Zac's cocktail playbook, anything that's local and delicious is fair game.
